

Weekend Course Making Modern Patchwork with tutor Janet Goddard

A two day residential patchwork course at a quality hotel just north of London

Tutor: Janet Goddard
Dates: Friday, 25 August - Sunday, 27 August 2017
Venue: Theobalds Park, Cheshunt, Hertfordshire

COURSE CONTENT

Spend the weekend creating your own modern patchwork quilt guided by accomplished tutor Janet Goddard. You will learn a whole range of basic patchwork techniques, from rotary cutting, machine piecing and quilt assembly, to borders and binding, with lots of helpful tips along the way. And by the end of the course you will be well on the way to completing your own quilt made with fresh fabrics and simple, stunning patchwork designs.

You will have the choice of three of Janet's designs: "Flower Market", "Basement Windows" (both machine piecing) or "There Always Has to Be One" (machine piecing and appliqué). Janet will cover all the skills needed for these patterns. And as you work along with others interested in patchwork, you will see how the same pattern made up in varied fabrics can create a completely different outcome. Whether you are a beginner or improver, you will take home a selection of skills and knowledge from this weekend course that you can adapt to other future projects.

Janet is a qualified teacher and regularly runs workshops throughout the UK. Her patterns have featured in patchwork, quilting and sewing magazines and she is the author of the book 'Simply Modern Patchwork Bags'.

Her experience with adults ensures she is able to quickly pass on her skills, and her students then take home their own original pieces of textile art.
